5 Upload Student List or Enter Students Manually

- The template is a CSV file. It must remain in CSV format. Do not save it as an Excel doc.
- Enter the information for each student in a line, with this data each in its own column:
 - Last Name
 - First Name
 - School Student Code (if any)
 - Email (if any)
- School Student Code and Email columns are not required. Name fields must be completed.

3 Choose or Add Your Classroom
