- 6. THE LIFE AND TIMES OF DANIEL BOONE

7. BOOKS AND OTHER SOURCES ABOUT BOONE'S TRIAL

This 19th-century print depicts an artist's impression of Boonesborough. It was this fort (and its people) which Boone was accused of betraying. Like other 18th-century Kentucky forts, during this time period, Boonesborough consisted of individual cabins sharing a common outer-wall stockade. Image online via Wikimedia Commons.

It is extremely difficult to find sources about Boone's court martial. What few materials were written are hardto-get and frequently out-of-print. Among those available are the following titles:

• Eckert, Allan W. - <u>The Court-Martial of Daniel Boone</u>. New York: Bantam, 1973. Account of the trial with fictional dialogue.

• Young, Chester Raymond (editor) - <u>Westward into Kentucky: The Narrative of Daniel Trabue</u>. Lexington: University Press of Kentucky, 1981.

• Faragher, John Mack - *Daniel Boone*. New York: Henry Holt, 1992. This book is still in print and is considered the <u>definitive</u> modern biography. It does discuss the court martial (between <u>pages 199-202</u>).

• Aron, Stephen - *How the West was Lost: The Transformation of Kentucky from Daniel Boone to Henry Clay*. Baltimore: Johns Hopkins, 1996.

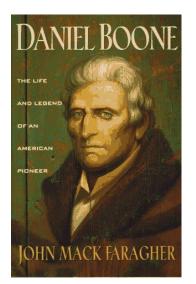

• Documents at the Cincinnati Historical Society.
