

*We thought
We should map out our future
Change
Redefines the boundaries*

*We tried
To script our careers
Change
Pushes us in new directions*

*We charted
Plans for our marriage
Change
Forces us off course*

*We resolved
To keep order in our lives
Change
Upsets our patterns*

*We hoped
For peace of mind
Change
Looms overhead*

*We have learned
Ignore the direction
Of change
Regret
The consequences*

*Resist the demands
Of change
Lament
Inflexibility*

*Disregard the power
Of change
Rue
Its presence*

*Change
Our dictatorial
Family member
Ever present
Ever relentless*
