

We thought We should map out our future Change Redefines the boundaries

We tried
To script our careers
Change
Pushes us in new directions

We charted
Plans for our marriage
Change
Forces us off course

We resolved
To keep order in our lives
Change
Upsets our patterns
We hoped
For peace of mind
Change
Looms overhead

We have learned

Ignore the direction Of change Regret The consequences

Resist the demands Of change Lament Inflexibility

Disregard the power Of change Rue Its presence

Change
Our dictatorial
Family member
Ever present
Ever relentless
