Oblivious to the power you possess, passionately beautiful, catching the eyes of all who see. Flittering as a wren, graceful as a swan, you hold yourself high. Knowledgeable, your naivete hides. Those who know you shocked to find a soul, a mind, a beauty as spirited as yours. You can defeat all though you don't know it. You are capable of reaching the highest mountain peaks. As you climb, you affect all those you encounter. Know this. Use this *Let your true self shine forth without barrier* and all is possible. For you possess that which few have, the attitude to stay alive, the love of life a child knows with the sophistication of ancient times. Know always that you are special, unlike any other. Take pride in that fact. Don't let anyone let you down, for you are a true angel whose words match her song. Know that I will always love you. Know that you have affected me in ways you will never know. Sing your song for the world to hear, I guarantee they'll listen.
