# Wave Lengths

*You bought Christmas paper*
*So did I*
*Hundreds of choices*
*Scores of stores*

*We each chose*
*Two identical rolls*
*From the same shop*
*On the same day*

*Amazing!*

*Reflecting on the day's events*
*We tell*
*Each other*
*Our stories*

*Without discernible connection*
*Flashes of identical*
*Insights*
*On unrelated topics*

*Miraculous!*

*Working separately*
*In the same place*
*Hours pass*
*Without interruption*

*At identical times*
*Without cue*
*We look*
*For each other*

*We communicate*
*On the same wave length*

*What a gift!*
