

Our landings in the  
Cherbourg - Have a  
hard time to gain a  
satisfactory foothold and  
the troops have been  
withdrawn. My decision to  
attack at this time and place  
was based upon the best  
information available, and  
the troops, the air and the  
Navy did all that could be  
done and devotion to duty  
could do. If any blame  
or fault attaches to the attempt  
it is mine alone.
