# Meet Your Academic and Technology Integration Goals!

- Unite your district/school in flipped classroom, story-driven, media-rich, evidence-based learning.
- Leverage valuable resources aligned to your school curriculum economically.
- $\circ\,$  Boost quality lessons with multi-media stories which engage students with ease.
- $^{\circ}\,$  Help your teachers and students to meet Common Core and State Standards Learning Objectives.
- Ensure faculty and students are using reliable resources and respecting content rights.
- Integrate more content into the crowded curriculum by supporting cross-subject teaching.
- Enable student-learning specialization, deeper research, analysis and reflection.
- Meet student needs for 21st-century instruction (technology and collaboration)
- Focus your education program on critical thinking, collaboration, evidence-based reflection and writing.
- Save teacher time with integrated assignment creation, learning tasks and grading.
- Achieve high-quality teaching standards
