6. How Horace Mann Changed Education

7. Mann's Six-Point Plan

8. Horace Mann Quotes about Life

9. Images of Horace Mann and Places He Visited

10. One-Room School Houses

What was public-school education like in America, before and after Horace Mann?

Although progress could not be made overnight, Mann—and other pioneering educators—contributed much to the evolving nature of public schools in the U.S. Their efforts are still positively impacting 21st-century American children.

[This slide-show](#) reviews the many innovative methods Mann, and others, introduced into the field of education. You only have to review the first four slides to gain an appreciation for (and an understanding about) Horace Mann.
