The Migration of Monarch Butterflies

0. The Migration of Monarch Butterflies - Story Preface

1. Stages of a Monarch Butterfly's Life

2. The Monarch's Journey Begins

3. The Migration of Monarch Butterflies

4. About Monarchs

5. What is Unusual About a Monarch?

6. Facts about Butterflies

7. Butterfly Vocabulary

8. Ways to Help Save Monarchs

9. What is the Difference between a Moth and a Butterfly?

There are three main groups of Monarchs:

- The group that lives west of the Rocky Mountains will migrate to California.

- Those that live east of the Rockies will either travel to the Midwest or to the East Coast searching for milkweed.

No other insect or animal has such a sophisticated journey. Let's watch how it happens (from the first generation to the fourth).
