We shall start with the introduction to the new king who was said to become “master of the universe”.

The beginning is about young Zeus, how his mother helped him to live, defeat his father, free his brothers and become “master of the universe”. This will also show who Zeus is and how his mother saved him.

Zeus’ father was Cronus, “King of the Titans”.According to what Cronus believed, one of his children would eventually dethrone him, so he tried to make sure that none of his children survived. His mother was named Rhea.
